

Heavy Duty Extreme Grease & Dirt Remover

Cleaner # **3**

What will it clean

Cleaner Number 3 is ideal to remove heavy build ups of dirt and grease in even the most extreme cases or renovating very old and tired floors
Warning : Not intended for wood, vinyl or any polished surfaces (always pre test a small area).

Where to use

Perfect for use in your kitchen, hall way, bathroom or for high traffic areas like, commercial kitchens, entrance halls and wash rooms, in pubs, gyms and offices

Benefits

- Deep cleans both your tiles and grout
- Removes years of built up grease and dirt
- Extremely powerful cleaner and fast acting
- Removes stubborn drink spills, food and grease
- Removes grout haze

How to use

1. Dilute 4 parts water to 1 parts cleaning solution (400ml water - 100ml cleaner).
2. Apply cleaner to surface and leave to act for 5 minutes, keeping it wet to ensure the product does not dry into the floor.
3. Scrub the floor using the Floor Master Machine with the tile and grout brush attached or green pad for best results. Alternatively scrub the floor with a stiff scrubbing brush or appropriate pad.
4. Once desired result is achieved, remove all dirty water with a clean mop, sponge or cloth.
5. Rinse well with fresh clean water to ensure floor is clean and neutralised.
Repeat process if required

Coverage

Deep cleaning and degreasing - 1:5 - 15 sqm
Tile and grout Refresh - 1:10 - 30 sqm

Wear suitable gloves. If swallowed, seek medical advice immediately and show this container or label. Irritating to skin. In case of contact with eyes, rinse immediately with plenty of clean water & seek medical advice. After contact with skin, wash immediately with plenty of clean water.
