

Oil Off

Greasy Oil & Stain Remover

What will it clean

Oil Off is specially formulated to remove oily & Greasy stains, and is ideal to remove house hold food and drinks stains from Marble, Granite, Limestone and porous stone. It work great on cooking oils, butter, food fats and general grease. **Warning:** Always test on surface for colour change or loss of shine. Will not re-shine or re-polish the tile surface. Does not remove scratches or acid damage.

Where to use

Perfect for use in your kitchen, hallways, bathrooms or anywhere around your home you have oil & grease stains to remove.

Benefits

Ready to use
Removes even the deepest grease stains
Extremely easy to use
Works great on fireplaces, worktops and grout
Acts like a liquid poultice

How to use

Shake the bottle well and then pour Oil Off on to surface, covering the stain completely. Leave to dry for approximately 2 hours then remove the powder using a brush or rinse with clean water. If the stain is deep a second application may be required. Once desired result is achieved, remove all solution with a clean mop, sponge or cloth and clean surface with Cleaner No2.

500ml
